NOTES FROM SOCIAL SERVICES

November is a wonderful time to reflect on the people, moments, and simple joys that bring meaning to our lives. Practicing gratitude can help lift our spirits, strengthen relationships, and remind us of the good that surrounds us each day. This month, take a moment to share a kind word, thank someone who has made a difference, or simply enjoy time spent together. Sometimes the smallest moments are the ones we are most thankful for.

– Jennifer Heiden, CSW, Social Worker

What a beautiful day we had visiting the Hamilton County Inclusive Playground! Our residents were amazed by this wonderful addition to our community and had so much fun trying out the playground equipment and watching all the kiddos enjoy the space. A big thank-you to the family members, staff and friends who joined us and helped make it such a fun day!

A Fresh Look, Same Warm Welcome!

Our family room has a fresh new look, but the same cozy, welcoming feel of home! We look forward to more laughter, special family visits and wonderful memories made together.

Planning a holiday gathering? Our spaces are available to reserve for the holidays! Please contact the **front desk at 402-694-8230** to book your space.

Our residents enjoyed a tour of the laundry department! They met Kathy, MCHI Laundry Services Manager, and Wendy, who has been part of the laundry team for 17 years. They learned how the large machines work and even got a demonstration on how to neatly fold those pesky fitted sheets!
